

Bring Azer Kids Home Now

Hon. Stéphane Dion
Minister of Foreign Affairs
House of Commons
Parliament Buildings
Ottawa, Ontario
K1A 0A6

Dear Minister Dion,

I am writing to request that the Government of Canada act immediately to ensure the abducted Azer children are rescued from Northern Iraq and returned to Canada. These young Canadian citizens are in imminent danger, being held captive in an area of escalating violence and on-going warfare.

According to the UN Convention on the Rights of the Child, by which Canada is bound, it is the responsibility of our government to protect Sharvahn (11), Rojevahn (9), Dersim (7) and Meitan (3) from the danger they are in.

These children's rights have been grievously violated by their father, Dr. Saren Azer (aka Salahadden Mahmudi-Azer), who abducted them and now refuses to release them. It is imperative that all efforts be made to focus on their safe return to Canadian soil.

Until this situation is resolved, these children will continue to experience incomprehensible trauma. I urge you to do what is necessary to bring them home! **Please act now!**
